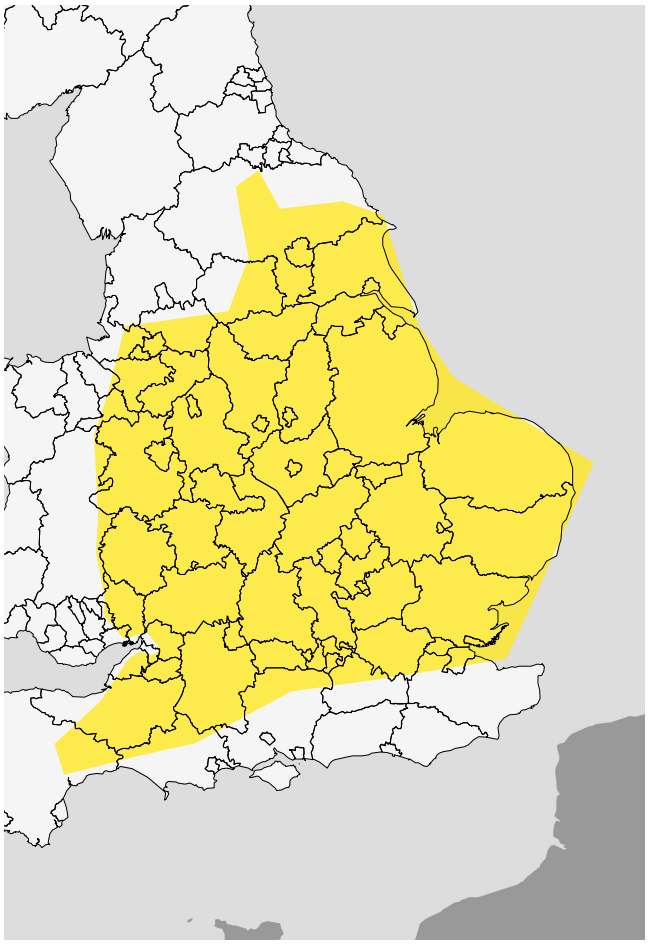
Yellow warning
Fog

Between
19:00 Tue 17 Dec 2019 and
13:00 Wed 18 Dec 2019



Fog will quickly form overnight and may be slow to clear during Wednesday.

What to expect

- Slower journey times with delays to bus and train services possible
- There is a chance of delays or cancellations to flights

Further details

The fog that has started to form in the south of the warning area will become more widespread during Tuesday evening and night.

Fog is likely to be dense in places with visibility less than 100 metres, which may lead to some travel disruption and slower journey times. Fog will clear in the south and west of the area during Wednesday morning, but may persist until early afternoon in the north and east.
